

## CHARLESTON SPEND

We've got figures on how much money has been spent in Charleston just in the past ten years on productions we've recruited that we think are worth noting:

Features: 11

TV Series / Pilots: 39

Print Ads & Catalogs: 68

TV Episodes / Music Videos: 43

Training / Industrials: 9

TV Commercials: 15

Other (Student / Docs): 6

Total SC Hires: 30,945

Total Hotel Nights: 275,727

**TOTAL SPEND: \$574,570,685**

So, my question to the city is, being the beneficiary of all this, does the city want to actively welcome and lure productions, or just manage them?

Feel free to share this with whomever you think needs to see it.

Thanks,

~Dan
